

Labor Day FAMILY CAMP

SEPTEMBER 1-4, 2017

Lake Ellen Camp: *A special place to be with Jesus.*

Join us this summer for a long weekend with your family. Take some time away from the hustle and bustle to reconnect while enjoying fun camp activities at our facilities in Michigan's beautiful Upper Peninsula. Explore the wilderness on our hiking trails, go swimming, paddle boarding, or take the family out in a canoe. There will be planned group activities, as well as free time; so you can relax or strike out on your own. ***We will do the cooking and cleaning, you get to have all the fun!***
